

# Your Community of Support & Innovation for the 2026-27 School Year

**“** The Collaborative Mastermind has transformed my growth as a school leader. Each month, I look forward to engaging with experienced peers who share my challenges and faith perspective. These sessions push me to question assumptions, refine my leadership philosophy, and apply insights in real time at my school. If you're looking for professional development beyond surface-level solutions, this is an investment worth making.

**Joel Nydam**

Lower School Principal,  
Legacy Christian Academy

## What To Expect

### Earn 20 BOSAs

Don't just check a box. Earn your required 20 BOSA Continuing Education Credits this year through a meaningful process of professional development and leadership growth in community with other Christian school leaders.

### Engage with Christian Edleaders

Join a collaborative network of leaders who understand the unique challenges and demands of Christian education. Exchange ideas in a trusted space, offer insight, and walk alongside one another in common purpose through monthly virtual sessions and in-person gatherings.

### Attend Live Events

Tickets to our 3 in-person Collaborative events in August, November, and February are included in a membership.

## Who Is This For?

The Mastermind is designed for Christian education leaders who want to lead with clarity, grow in community, and stay aligned with their mission. Whether you're navigating big decisions, refining school culture, or seeking professional community, the Mastermind supports leaders committed to reflection, collaboration, and continuous growth.

### Ideal Participants Include:

- Heads of School
- Principals and Assistant Principals
- Department Directors
- Emerging Leaders preparing for future roles
